

Be Smart. Be Safe. Be Sure.

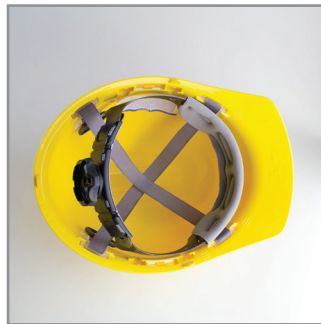

Front Brim Hard Hats

Key Features and Benefits:

- Protects against the hazards of falling objects and provides better upward visibility than its full brim counterparts
- Includes accessory slots to accommodate Sellstrom branded face shields, welding helmets, hearing protection, and more
- Made with lightweight high-density polyethylene material for unsurpassed durability
- 4-point ratchet suspension allows easy customization of height and fit
- Pillowed cotton brow pad provides a soft contact point to the forehead and keeps perspiration away from worker's eyes
- Optional chin strap accessory (Model S60200) and replacement ratchet suspension (Model S69101) available
- Certified to ANSI/ISEA Z89.1 Type 1 Class E & G and CSA Z94.1 Type 1 Class E & G
- 2-year warranty

Custom logo printing is available
